**MAKE YOUR DREAM COME TRUE!!!**  
**4 DAYS 3 NIGHTS MANCHESTER UNITED MATCHDAY &**  
**OLD TRAFFORD TOUR 2018/19**

***Cheer on soccer players during an exhilarating match and tour this 75,000-capacity stadium, home to one of Britain's greatest soccer teams.***

Few British soccer teams are as recognized globally as Manchester United. Their stadium, Old Trafford, is a huge attraction both for die-hard fans and curious soccer neophytes. Watch a match and arrange to go on a stadium tour. See the hallowed sporting ground where the Reds as they are affectionately known have claimed many sporting victories.

Old Trafford has been Manchester United's home ground since 1910. After suffering damage during World War II, the stadium needed to be rebuilt and the team temporarily moved to Maine Road, the home ground of rivals Manchester City.

Sign up for a behind-the-scenes stadium tour to see parts of the sporting complex that are normally out of bounds. Imagine the pre-match tension felt by the players in the dressing room, stroll down the tunnel toward the pitch and venture up into the Sir Alex Ferguson Stand. It is named after the team's most successful manager.

Spanning three floors of the stand is the club's museum. Take pictures with the dazzling trophies, learn about key figures in Manchester United's history and see old kits worn by players in previous decades. There are also exhibits that explore the history of the stadium.

For that extra special something in Manchester, visit boutique districts around King Street, Spinningfields and New Cathedral Street. Or if one-off independents and handmade is more your thing, Manchester's alternative and creative heart, The Northern Quarter, is home to countless vintage stores, record shops, cafés, bars and restaurants.

For fantastic deals at a range of designer brands, Cheshire Oaks Designer Outlet has a quarter-million square feet of retail space, comprising of more than 145 boutiques.
